

SOUTH RICHMOND MANY SIGN PETITION TO STREET CAR COMPANY

Southside Citizens Want Hull Street Cars Run Through to Broad Street.

COMPLAIN OF PRESENT DELAY
Thomas R. Talley and Miss Laura H. Lordly are married in Washington by Rev. L. Lacy Chambers—Personal and General Items.

A large number of the citizens of the Southside have signed the petitions asking that cars on the Hull Street line be run to Broad Street, and more signers are being secured daily. Although the committee of the South Richmond Democratic Club, in charge of the petition, is not prepared yet to make the figures public, it is said that more than a thousand names have already been added to the papers.

The Southside people are unanimous in their favor of having the change made. It is claimed that there is too much delay and inconvenience caused by transferring at Fourteenth and Main Streets the present terminus of the line. Both the Main Street and Hull Street lines are operated by the same company, and it was considered recently in the City Council, the former claim being that the latter was more expeditious, and the latter declaring that too much congestion would be caused on the line.

The proposition will be discussed at the regular meeting of the South Richmond Democratic Club, which will be held on Friday night, and action will be taken.

Talley-Lordly.
Miss Laura H. Lordly, daughter of Mr. and Mrs. W. D. Lordly, of 1312 Main Street, and Mr. Thomas R. Talley, of 1312 Main Street, were married in Washington, D. C., on Thursday afternoon by Rev. L. Lacy Chambers. The ceremony was performed by Rev. L. Lacy Chambers, who is a friend of the bride and groom. Both Mr. and Mrs. Talley have a host of friends in the city, to whom the announcement of the marriage will come as a surprise.

Following the nuptials, Mr. and Mrs. Talley left on a Northern tour, on which they will stop at Chicago, St. Paul, Montreal and Quebec. After August 15 they will be at home at 312 Cowardin Avenue.

MONUMENT IS ERECTED TO FAMOUS "BLIND PREACHER"

Stone Marks Site of Church Where Rev. James Waddell Preached Years Ago.

Gordonsville, Va., July 31.—With appropriate exercises and the band of the Fourth Virginia Regiment to furnish the music, there was erected, on Wednesday afternoon at 2:30 o'clock, a monument to mark the historic church of the "blind preacher," James Waddell (now spelled Waddell). The handsome one of granite, bears this inscription:

"This spot, while yet in primeval forest, stood the church of the blind preacher, James Waddell, a devout man of God and a faithful minister of the Presbyterian Church. Born 1739, died 1805. Socrates died like a philosopher, but Jesus Christ like a God. From his sermon as narrated by William Wirt."

And on the base of the stone the one word: WADDELL.

The exercises were under the direction of the Waddell memorial committee, with Rev. Hugh H. Hudson, the chairman, master of ceremonies.

"A large number of descendants of the 'blind preacher' from all sections of the State and hosts of friends were in attendance.

Something over 100 years ago there lived near Gordonsville, Va., a wonderfully gifted, but blind, Presbyterian preacher. His name was James Waddell. While living here he preached in a Presbyterian church, about one-half mile northeast of the present town of Gordonsville. The church was burned and the site of the church was lost.
